

Each month we bring you relevant and impactful topics that showcase how DARI Motion is changing musculoskeletal care. In this month's Insights In Motion we focus on the following:

## Clinical FOCUS

Insights In Motion interview with Brett Braziel discussing workflow utilization and clinical improvements with DARI Motion.

## Performance FOCUS

Insights In Motion interview with Libba Shannonhouse discussing wellness use cases through DARI Motion.

## HOT TOPIC

Insights In Motion interview with Dr. Andrew Fry regarding research and the future use of DARI in sports.
